Five Bedroom - Carrara, EuroCity

Offering an exceptional combination of space, luxury and contemporary living, this impressive residence boasts an outstanding 212.2 sqm of internal living space and an additional 76.3 sqm of external area, providing an exceptional setting for refined urban living.

The apartment is offered fully furnished with high-end furniture and carefully selected furnishings, creating an elegant and sophisticated living environment. Ready to move in, it offers an ideal opportunity for tenants seeking a premium home with generous proportions, quality interiors and access to outstanding residential facilities.

Architecturally striking and ideally located, EuroCity represents a new benchmark in quality living at the heart of Gibraltar's central business district. Designed by an internationally acclaimed team, this landmark development combines prestigious residential accommodation with commercial and retail spaces, creating a vibrant and contemporary urban destination.

Comprising three slender towers, including one of Gibraltar's tallest residential buildings at 22 storeys, EuroCity offers impressive views towards Spain and Africa. The development features 330 apartments arranged around a split-level podium of beautifully landscaped gardens and swimming pools, creating a distinctive residential resort within the heart of Gibraltar.

The apartment benefits from five generously proportioned bedrooms and four bathrooms, making it particularly well suited to families, professionals or tenants seeking spacious, high-quality accommodation. Its substantial internal and external areas provide an excellent balance of indoor comfort and outdoor living.

With welcoming public spaces at ground level, vibrant retail offerings and extensive car parking, EuroCity is a prime residential destination within Gibraltar's central business district, combining convenience, prestige and an exceptional lifestyle.

RESIDENT FACILITIES
