The Property

Charming Cottage on 0.5 Acre Plot – Ideal for Multi-Generational Living

This picture-perfect cottage is set on a generous 0.5-acre plot and offers flexible accommodation, ideal for multi-generational living. Boasting four to five bedrooms, the home blends character features with practical family living.

Step into the welcoming front porch—perfect for kicking off muddy boots—before entering the cosy lounge, complete with a beautiful brick-built fireplace and wood-burning stove. The heart of the home is the impressive kitchen, featuring a striking central island and built-in country-style cabinets including spacious pantry/Utility cupboards. The ground floor also includes a modern shower room, an inner hall, and a bright conservatory. Double doors lead to the annex, currently used as a games room by the present owner. This area includes a lounge, a ground-floor double bedroom, and an additional shower room—making it ideal for guests, teenagers, or elderly family members. Upstairs, you'll find four well-proportioned double bedrooms, a family bathroom, and a separate WC. With its versatile layout and charming setting, this unique property is a must-see for those seeking space, character, and flexibility.

The Outside

The plot extends to just over 0.5 acres, with the majority of the land situated to the side of the cottage. Just outside the kitchen doors there is a courtyard patio ideal for that first coffee in the morning with views over a charming orchard of fruit trees and a well-maintained lawn. The current owners have enhanced the grounds with the addition of raised vegetable beds. To the rear of the property, there is a wooden storage shed, a polytunnel, and a greenhouse — a true gardener's paradise.
