Transport buses link the surrounding towns and villages and the town's railway station also provides a direct line into Norwich, Ely and Cambridge, with London commutable in around 2 hours.

The Property

Nestled at the end of a sweeping driveway, this impressive five-bedroom detached family home offers versatile living accommodation with bedrooms thoughtfully arranged across both the ground and first floors. Upon entering, you're greeted by a welcoming entrance hall that sets the tone for the spacious layout beyond. The ground floor features three generous double bedrooms, a home office/boot room, and a stylish lounge with dual-aspect windows and a charming wood burner – perfect for cozy winter evenings. At the heart of the home lies a stunning kitchen/dining room, complete with a bespoke fitted kitchen, central island, and a striking glass gable vaulted ceiling that floods the space with natural light and frames serene views of the garden. Adjacent to this, a snug/summer lounge with bi-folding doors between and patio doors seamlessly connects the indoor space with the outdoors from the snug. Additional ground floor highlights include a utility room with a walk-in pantry and custom cabinetry, a double shower room with WC, and a conservatory that leads to the mature garden and a large garage. Upstairs, the main bedroom suite offers privacy and comfort with a separate dressing area, while a further double bedroom features clever eaves storage. A well-appointed family bathroom includes a feature vanity sink, completing the first-floor accommodation. This beautifully presented home combines practical family living with stylish design and scenic surroundings – a truly exceptional property.

The Outside

To the front of the property, mature trees and a large lawn create an attractive and welcoming approach. A stone driveway leads to a double garage, and a secure side gate provides access for a sit-on lawn mower. At the rear, a spacious patio area offers the perfect setting for alfresco dining, with room for a hot tub and several well-appointed seating areas that overlook the picturesque, well-maintained flower and shrub gardens. A stunning weeping willow provides natural shade, making it easy to escape the sun on warmer days. The garden also features a dedicated fruit cage area and a fenced dog garden. At the very rear, a further usable section of garden offers ideal space for a vegetable patch, greenhouses, or a polytunnel—perfect for year-round home growing.
