Location

Kenninghall is a picturesque Breckland village which has a great sense of local community. The village boasts heritage, with several properties dating back to medieval times. The village centre features a delightful array of traditional cottages, adorned with thatched roofs and timber frames, creating a quaint and charming atmosphere. Kenninghall is surrounded by stunning landscapes and natural beauty, offering endless places for leisurely walks, picnics, and exploration. The village is just a few miles away from the A11, with speedy access to Norwich and Cambridge. Other market towns such as Diss and Attleborough are also close by and offer a good range of schooling, shopping and transport facilities.

The Property

With extended ground floor accommodation, the property provides impressive space, coupled with a homely feel throughout. The dual aspect living room is bright and has an excellent view out to the garden, with the overall view enhancing the non-estate feel. The kitchen is a good size and has plenty of space for socializing, especially as this opens through to a family area at the rear. The Utility/WC adds a functional, very useful aspect to the ground floor. Upstairs, there are 3 bedrooms and a bathroom - the main bedroom benefitting from an en-suite WC.

All external doors have been replaced within the last five years, as have all the windows, apart from those in the recently built rear family area. There is a large loft, which is fully boarded.

To the rear of the property is a good sized potting shed and to the side are a greenhouse and tool shed

Services

Mains electricity, water and drainage are connected. Central heating is by way of modern, programmable electric radiators, on both floors.
