Summary

Situated on a generous plot within a highly popular residential location, this substantial four-bedroom detached family home offers excellent potential and is offered to the market with no upward chain. Occupying a well-established position with gardens to the front, side and rear, the property benefits from a particularly private and mature rear garden along with a detached double garage, making it an ideal opportunity for growing families seeking space both inside and out with scope to extend the accommodation further subject to the necessary planning consents.

The accommodation is spacious and versatile throughout, comprising an entrance hall, a through lounge filled with natural light, separate dining room/study, conservatory, breakfast kitchen, utility room and ground floor W.C. The layout provides excellent scope for modernisation and personalisation while remaining perfectly liveable in its current condition.

To the first floor are four well-proportioned bedrooms, including a principal bedroom with en suite facilities, alongside a family bathroom serving the remaining bedrooms.

Externally, the property enjoys attractive established gardens which wrap around the home, creating a wonderful sense of privacy and outdoor space rarely found in homes these days. The rear garden is particularly secluded and well stocked, offering an ideal setting for relaxing and entertaining, while the detached double garage and driveway provide ample off-road parking.

Properties in this location and of this size rarely remain available for long, particularly those offering such outstanding potential on a plot of this nature.
