Summary

Upon entry to the property you arrive in the porch, this is a great space perfect for cloaks and shoes.

The front door takes you into the lounge/diner, there is a door to the additional reception room, kitchen, conservatory and there are stairs rising to the first floor.

The lounge/diner is a very spacious room, spanning the full width of the property. There is sufficient space in here for a sofa suite as well as a dining set conveniently located adjacent to the kitchen. It is a lovely light filled room thanks to a large window to the front elevation and sliding doors providing access to the conservatory.

The conservatory is glazed to three elevations and has French doors providing access directly out the patio and garden beyond.

The kitchen is fully fitted with a matching range of wall and base units with countertops above. It benefits from an inset sink drainer, integrated dishwasher, integrated electric oven that is only a year old, integrated gas hob with stainless steel extractor hood over, brand new integrated fridge/freezer & space and plumbing for a washing machine. The kitchen also offers a useful under the stairs storage cupboard, door to the side elevation and window at the rear providing a lovely outlook over the garden.

Finishing off the accommodation downstairs is the converted garage/additional reception room. It has been properly converted to a fully functional room with lighting, power, heating and a window to the front elevation. The current owners have it set up as a study perfect for working from home but it would also lend itself to a playroom/additional lounge or dining room subject to the new owners needs and requirements.

Ascending to the first floor you arrive on the landing, this provides access to all three bedrooms and the family bathroom. From here you also will find a useful storage/airing cupboard and access to the loft space.

Bedroom one is situated at the front of the property, it is a great sized double room with fitted wardrobes and a large window to the front elevation providing a nice outlook.

Bedroom two is also situated at the front of the property, it too is a well proportioned double

bedroom and benefits from an over stairs storage cupboard and window to the front elevation.

Bedroom three is situated at the rear of the property, a slightly smaller room but still comfortable for a double bed and the associated furniture. It has a window to the rear overlooking the garden.

The family bathroom is fitted with a three piece suite comprising corner bath with shower over, low flush w.c., pedestal wash hand basin and frosted window to the rear elevation.

Outside you find the property just set back from the road, with an attractive front garden consisting of a tarmac driveway providing off road parking and lawned area adjacent. The rear garden is low maintenance and mainly laid to lawn, it has paved patio area all of which is kept secure and private by wooden fencing.
