Thoughtfully modernised throughout, the property offers stylish, move-in ready accommodation that will appeal to a wide range of buyers, from first-time purchasers to growing families.

The accommodation begins with an entrance porch leading into a welcoming hallway with useful understairs storage. To the front of the property, the bay-fronted lounge is filled with natural light and provides a comfortable space to relax, whilst the separate dining room offers an ideal setting for family meals and entertaining. To the rear, the extended kitchen has been completely refitted with contemporary units and work surfaces, creating a practical and attractive space with direct access to the rear garden.

Upstairs, there are three well-proportioned bedrooms served by a stylishly refitted family bathroom, finished to a high standard with modern fixtures and fittings.

Since purchasing the property, the current owners have carried out an extensive programme of improvements, including the installation of a brand-new kitchen and bathroom, replacement of the heating system with a combi boiler, removal of the original gas fires, upgraded electrics with additional power sockets, new radiators including the second bedroom, replacement floorboards where required, new carpets throughout, upgraded light fittings and complete redecoration, resulting in a home that is ready to move straight into.

Outside, the property continues to impress with a driveway providing off-road parking and access to the detached garage, offering excellent storage or workshop potential. The generous rear garden provides plenty of space for children to play, keen gardeners to enjoy, or for outdoor entertaining during the warmer months.

Whitehouse Avenue is a well-established residential location, conveniently positioned for a wide range of local amenities including shops, supermarkets, well-regarded schools and parks. The property also benefits from excellent transport links, providing easy access to Loughborough town centre, the university and major road networks, making it an ideal location for commuters and families alike.
