

# Holder's

A Modern Estate Agent

78 Buttercup Lane, Loughborough, LE12 9QA  
£389,950

Offering outstanding parkland and countryside views, this deceptively spacious, three-story detached family home sits in an enviable position on a popular development. Originally built by William Davis Homes, this property is a lovely example of the Sherford design and sits in a superb setting.

The overall layout, scale, and positioning of this home make it a rare find on the development, combining stylish design with practicality for family living.
