Summary

Nestled in the tranquil and sought after Cravens Rough area of Ulverscroft, Cravens Rough offers a very unique opportunity to acquire a detached property in a peaceful rural setting. The property is set well back from the road on a private gated driveway of only 7 other properties, providing a sense of privacy and seclusion.

Upon entry to the property you find yourself in the lovely open plan kitchen/living/dining room. Filled with natural light from two sets of patio doors and skylights this is a fantastic space for entertaining. The kitchen is fitted with a modern range of wall and base units and plentiful countertop space. Integrated eye level ovens, induction hob with tiled splash back and island/breakfast bar incorporating a sink drainer with seating the other side.

Moving out of the kitchen you find a great space currently set up as a lounge/dining area with small circular dining table. There is a lounge/seating area adjacent to this next to the patio doors out to the garden. Whilst all being in one room there is enough space to allow that separation between areas particularly with how our current vendors have it set up.

On this floor there are two spacious bedrooms with views out to the woodland gardens. There is a mezzanine floor accessed via a ladder.

Outside you will find the property well set back from the road in an extremely private and serene woodland setting. There is a car port to the side. Wrap around woodland gardens encapsulate the cabin and provide a beautiful outlook all year round.

This property offers great scope for redevelopment to suit the buyers needs, two other properties on this address have had planning permission accepted to build new dwellings.

Agents note: This property is classed as non standard construction, we work with a mortgage advisor with suitable lenders so please get in touch if this is required. The property has mains electricity and water with LPG for the heating and a private cesspit for the drainage.
