Ground Floor:

The front door opens into a welcoming entrance hall with a generous storage cupboard housing the electrical consumer unit. Here you'll also find the central heating thermostat. The space is finished with wood-effect laminate flooring and oak doors leading to the cloakroom and sitting/dining room, with an opening into the kitchen.

The kitchen overlooks the rear garden and is fitted with a stylish range of modern, soft-closing handleless units, including floor cupboards with a corner carousel, a separate drawer unit, and eye-level cupboards. Ample laminate work surfaces are complemented by a tiled splashback and a stainless-steel sink with swan-neck mixer tap. Appliances include an integrated dishwasher, fridge/freezer, ceramic hob with extractor hood, and a built-in eye-level double electric oven. There is also space and plumbing for a washing machine and tumble dryer. The floor continues in wood-effect laminate for a seamless look.

The sitting/dining room benefits from a dual aspect, with a window to the front and double doors—flanked by a full-height window—opening onto the rear courtyard. From here, stairs lead to the first floor.

First Floor:

The landing provides access to the loft space and all rooms via oak doors. There are two double bedrooms, both enjoying rear-facing views of woodland and open countryside. The principal bedroom also features a walk-in wardrobe with hanging rails and lighting.

The shower room is fitted with a contemporary suite comprising a large walk-in shower enclosure with a mains shower offering both monsoon and rainfall heads, a low-level WC with dual-flush system, and a vanity washbasin with mono tap. The walls are fully tiled, and the floor is finished in matching wood-effect laminate.

Outside:

To the front of the property there are flower beds and an outside tap and a short distance from the property is an allocated parking space. The rear Courtyard garden is enclosed with walls and fencing and is laid to patio making it a fabulous little seating area
