An extremely rare opportunity to acquire this wonderfully peaceful, second floor, apartment which boasts an extraordinary terrace, leading directly in to private resident's only gardens.

Located in Benbow House, this magnificent two-bedroom, two-bathroom, lateral apartment is situated directly on The Southbank of The River Thames. This most exclusive of apartment blocks is next door to Shakespeare's Globe Theatre and only moments from The Tate Modern, The City, Borough Market, St Paul's Cathedral and Southwark Cathedral

This wonderfully proportioned apartment is one of only eight, within the block, to offer direct access to the resident's only gardens. Even within these eight apartments it is unique, being the only apartment offering three separate accesses on to a private terrace.

From the moment you enter this spacious, lateral, apartment you will feel that you have entered a sanctuary from the business of London. Fantastic light flows through the lounge and principal bedroom suite from the three sets of patio doors which lead directly on to the most beautiful, surprising, private terrace and gardens beyond.

As can be seen from the floorplan and photos within this advert, the rooms throughout the property are well proportioned and laid out to maximise the benefits of this unique property.

The Bankside River Thames boat service dock is directly outside the property and Blackfriars, Cannon Street and London Bridge mainline stations are within a short walk. Eight tube stations, being Mansion House, Cannon Street, Blackfriars, Monument, Bank, London Bridge, St Paul's and Southwark tube stations ensure that this is one of the most connected areas of Central London.

Airport transfers to both Heathrow and Gatwick from Blackfriars provide the easiest of starts to international journeys.

An extraordinarily rare opportunity to enjoy a peaceful sanctuary within one of the Southbank's most exclusive apartment blocks awaits the new buyer.
