The property features a generous double bedroom overlooking the same serene garden space, ensuring a peaceful night's sleep. A separate, modern, fully fitted kitchen and a stylish bathroom complete this refined living space. Located in the highly sought after Benbow House it is the perfect central London retreat for a professional single or couple.

Located next door to Shakespeare's Globe Theatre, only a short walk to Borough Market and situated directly across the River Thames from the City of London, Benbow House has long been considered to be "The" desired address on The Southbank.

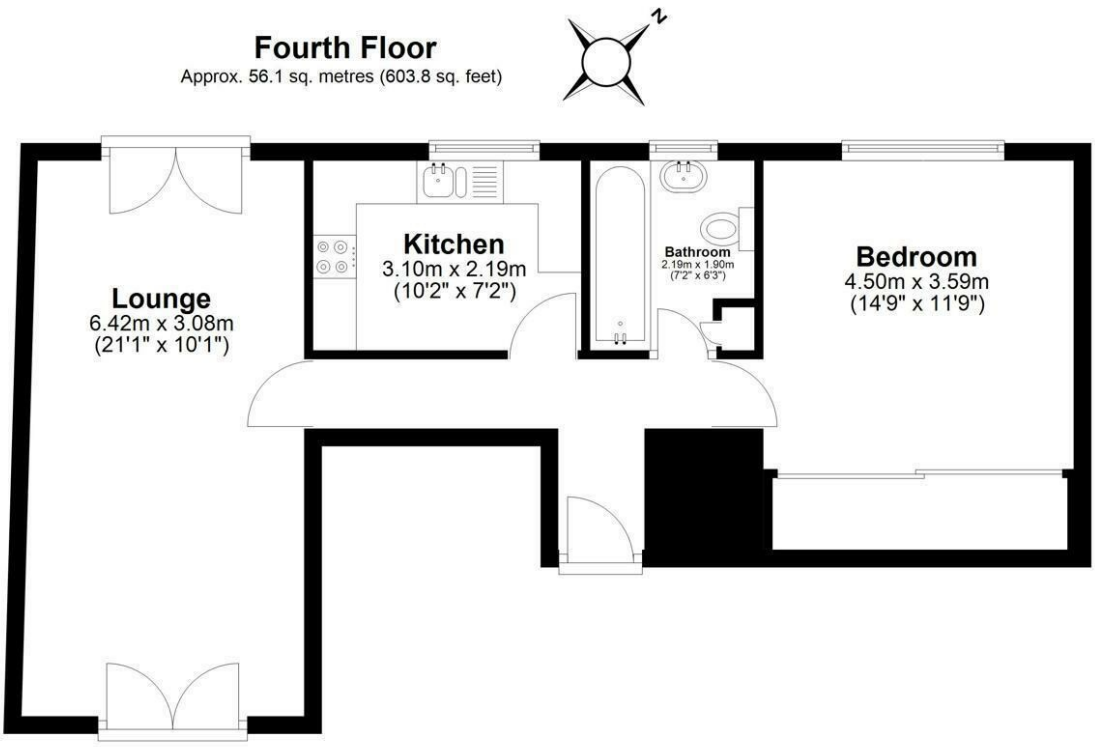

The Bankside River Thames boat service dock is directly outside the building and Blackfriars, Cannon Street and London Bridge mainline stations are within a short stroll. Eight tube stations, being Mansion House, Cannon Street, Blackfriars, Monument, Bank, London Bridge, St Paul's and Southwark tube stations ensure that this is one of the most connected areas of Central London.
