Unless the hours of working have been restricted by a condition of this permission, our recommended hours of noise generating activities during construction are:

- Monday to Friday from 8am to 6pm;
- Saturday from 8am to 1pm;
- Sunday and Bank Holidays – no noisy working.

To minimise the possibility of complaints, we suggest keeping your neighbours informed in advance of any particularly noisy works or large deliveries.

In respect of housing development, the applicant's attention is drawn to part Q1 of the 2010 Building Regulations and Approved Document Q1 (Unauthorised Access) 2015. Specifically that the standards for doors and windows (including locks and other hardware) shall be sufficiently robust and capable of resisting physical attack by a burglar, so as to include euro 'anti-snap' locks or equivalent standard.

Important Information about Your Planning Permission

Town and Country Planning (Development Management Procedure) (England) Order 2015

This decision notice only relates to the grant of planning permission. It does not give any approval or consent which may be needed under any legislation, enactment, bye-laws, order or regulation other than the Town and Country Planning Act 1990 as amended. You may need other approvals, consents or licenses for the development eg building regulations approval.

This permission is granted in strict accordance with the approved plans. It should be noted however that:

- (a) A variation from the approved plans following commencement of the development is likely to constitute unauthorised development and may be liable to enforcement action.
- (b) Variation to the approved plans will require the submission of a new planning application.

This planning permission is granted subject to conditions. Please read the conditions carefully and make sure that you understand what is required to comply with them. It is the responsibility of the owner(s) and the person(s) implementing the development to ensure that

the approved plans and these conditions are complied with throughout the development and beyond. Failure to comply with any of the conditions may result in enforcement action.

Conditions which require work to be carried out or details to be approved prior to commencement are very important and are called '**conditions precedent**'.

This means:

- (a) If a condition precedent is not complied with, the whole of the development might be unauthorised and you may be liable to enforcement action.
- (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify this is by the submission of a new application to obtain a fresh planning permission.

A fee of £116 per request or £34 if the request relates to a householder application is payable to discharge condition(s). The request needs to identify the planning application number and the condition(s) concerned; a form is available from our website www.leeds.gov.uk/planningforms titled Approval of Details application form.

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority to grant permission for the proposed development subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990 as amended.

If you want to appeal, you must do so within **six months** of the date of this notice, unless a valid Enforcement Notice exists for the same or substantially the same development. In this case the period for appeal is **28 days** from the date of this notice. You should use a form which you can obtain from www.gov.uk/appeal-householder-planning-decision or by email from enquiries@pins.gsi.gov.uk or by phoning 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to do so unless there are special circumstances which excuse the delay in giving notice of appeal.

You must send one copy of the completed form to planning.appeals@leeds.gov.uk or Appeals Administration, Planning Services, Leeds City Council, Merrion House, 110 Merrion Centre, Leeds, LS2 8BB as well as to the Planning Inspectorate at the address on the form.
