Property Description

Spacious 3/4 Bedroom Edwardian Home – Excellent Location Close to Nottingham City Centre

Recently refurbished and offering spacious, flexible accommodation, this attractive 3/4 bedroom Edwardian mid-terraced home on Kentwood Road is ideally positioned within easy walking distance of Nottingham City Centre and its many shops, restaurants, entertainment venues and attractions.

The property benefited from an extensive refurbishment programme in October 2025, creating a comfortable and well-presented home while retaining the generous proportions associated with an Edwardian property.

The location provides excellent access to many of Nottingham's best-known destinations, including Nottingham Castle, theatres and museums, Motorpoint Arena, Trent Bridge Cricket Ground, the City Ground and Meadow Lane football stadiums. Local shops and amenities are also within walking distance, with convenient bus services providing easy connections across the city.

The accommodation is particularly versatile. The front reception room can be used as a fourth bedroom, dining room or home office, depending on the needs of the occupants. There is also a spacious separate lounge providing plenty of room for relaxing and entertaining.

The kitchen has been recently fitted and comes equipped with a tall fridge/freezer, washing machine and cooker, providing a practical, modern space for everyday living.

Also on the ground floor is the bathroom, while a useful two-room split cellar, accessed from the lounge, provides additional below-street-level storage space.

On the first floor are two well-proportioned bedrooms, with a further bedroom situated on the second floor, giving the property three dedicated bedrooms plus the option of using the front reception room as a fourth.

Outside, the property benefits from a low-maintenance concreted rear yard, offering a convenient outdoor space for seating and summer BBQs. Free on-street parking is also available in the surrounding area.

The property is managed by an experienced landlord with approximately 30 years of property-letting experience, supported by an established team of tradespeople for maintenance and repairs and working closely with Mulberry Lane Lettings to provide a responsive management service.
