£325,000-£350,000 Guide Price. Three bedroom link-detached character cottage on South Scarle Lane in Swinderby. Comprising internally of an entrance porch, cloakroom, spacious kitchen with pantry, two reception rooms, three bedrooms including a family bathroom and 'Jack&Jill' ensuite. Externally offering an enclosed garden with open field views and a secure driveway, suitable for multiple vehicles to park off road.

Viewings are by appointment only and the property benefits from being sold with no onward chain.

The cottage is believed to be 250-300 years old, formally a tied cottage until approximately 50 years ago, having been extended upwards and outwards over the years, yet still retaining many of its original features. Despite no known previous flooding within the property and being rated a circa 140 year risk of flooding, in October 2023, Storm Babet's flood

water poured over the fields and into the cottage living room. In two hours it was 200mm (8 inches) deep in the room and front hall but within 48 hours it had all disappeared. Turning a negative into a positive, the current owner removed all the damaged plaster and wiring, replacing it with fully insulated walls and new wiring. Furthermore they created a concrete blockwork inner and outer 600mm (2 foot) high flood barrier around the property, having been independently certified by a firm of consultants acting for Lincolnshire County Council.

Situated in Lincolnshire but on the county boundary with Nottinghamshire, approximately 1.5 miles from Swinderby and even less to the Nottinghamshire village of South Scarle. Whilst, it offers the tranquility and benefits of a rural location, it also has good access to the well served Collingham and Witham St Hughs communities which are only a short drive away. Local amenities to Swinderby include a bus service,

public house, church, village hall, two playing fields and primary schooling at the All Saints CofE. Swinderby also offers additional transport with a railway station on the Nottingham to Lincoln line.
