Two bedroom character cottage with a contemporary twist, situated within the popular village of Thorpe-on-the-Hill. Comprising internally of a porch, open plan living diner, fitted kitchen, four piece bathroom and two bedrooms. Driveway parking and an enclosed courtyard. Sold with no onward chain.

This beautiful character cottage was previously used for approximately 80 years as a milking parlour for a large herd of dairy cows. They were kept nearby in the adjoining crew yard (now Holme Close) during the winter and turned out in the summer to graze in paddocks around the village. Next to the parlour was the milk bottling plant where the milk was delivered to

neighbouring villages with excess being collected and taken to Lincoln Coop Dairy. When milk prices dropped, the herd was sold and the building ceased as a milking parlour. Planning permission was granted in 2002 for change of use to offices, followed by a further application for change of use to two dwelling in 2014.

Thorpe on the Hill is located approximately a mile from the A46 offering convenient access to both Lincoln and Newark. The village boasts a primary school, public house and various organised clubs to include for walkers, bowls, craft, book and fly fishing. The local parish coordinate village events, plus there is a regularly held community cafe. Whisby Nature

Park is only a short distance away offering walks, exhibitions, cafe and a shop.
