The standout feature of the garden is the view, with open countryside to the side of the garden, enjoyed from the Master Spa luxury hot tub.

The Area

Stanford on Soar is a small hamlet set in a semi-rural position between Loughborough and the large village of East Leake, both of which have a good range of national and independent shops and supermarkets. Nottingham is 14 miles away and offers typical City amenities. Loughborough has a direct train link to London St. Pancras in approx 1hr 40mins and also has schools of all grades including renowned Loughborough Schools Foundation schools (formerly Loughborough Endowed Schools), recreational amenities, centres of employment and frequent public transport services. Ease of access to the nearby A6006 and A60 leading to Nottingham City centre and Nottingham East Midlands Airport.

Extra Information

The property is set in a rural location and has mains water and electricity supply, there is a private modern septic tank shared with a neighbouring property, the central heating is a mixture of radiators and Siemens underfloor heating on a 'wet system' powered by LPG with a storage tank on the premises. There are areas of the property with electric underfloor heating. The property is not Listed and not in a Conservation Area. The house is built attached to next door.
