The property fronts Cobden Street with an entrance door to the house and a separate 'shopfront' door to the old Butchers Shop. There is also a timber gated archway giving access front to rear, this also forms a shared pedestrian right of way for the neighbouring property. The rear garden is quite attractive, with a vast array of shrubs, plants and trees, lawn and patio. There is a timber cattle gate to the hardstanding area and outbuildings.

Outbuildings

A unique feature of this property is the vast range of outbuildings associated with the property's former function as the home, shop and workplace of a traditional Butchers. The outbuildings consist of various livestock keeping, handling, slaughter and processing buildings. There is a large garage and former cold store. These outbuildings lead out onto a concrete hardstanding area, with vehicular gated access onto Pinfold Jetty, in turn leading to Pinfold Gate. We understand Pinfold Jetty to be adopted by the Leicestershire Highways Authority and designated as a B.O.A.T. (byway open to all traffic) broadly meaning that it can be used by Pedestrians, Cyclists, Horse Riders and Motorised Vehicles. Any purchasers looking to develop the property are advised to make their own enquires and due diligence to ascertain the possibilities. Any development may be subject to necessary planning permissions and/or building regulations approval.

The Area

The property is set in a long established area of the town centre, surrounded by an eclectic mix of residential and commercial properties. Cobden Street is easily accessed from the new A6 Inner Ring Road. The property sits in a position only 5 minutes walk to the town centre, the Loughborough Midland Mainline train station is a short 15-20 min walk away, providing a direct link to London St. Pancras in only 1hr 40mins. There are numerous shops and conveniences nearby in the town centre. The University is also a short 20 min walk away.
