MAXWELL 
HARRINGTON

Maxwell Harrington are delighted to present for sale this impressive 3,357 sq ft, five double-bedroom detached home, dating from the 1930s and occupying a secluded, south-facing 0.33-acre plot in the sought-after location of South Ferring.

The property offers spacious and flexible accommodation, featuring a variety of reception rooms and excellent potential to create an annexe on the ground floor. Further benefits include two en-suite bedrooms, a utility room, outbuilding and a generous in-and-out driveway providing parking for up to twelve vehicles.

The welcoming hallway provides access to the principal living areas, with the kitchen opening through to the dining room and sitting room, creating a sociable and practical space for everyday family life and entertaining. From here, a utility room leads through to Bedroom Five, a shower room and a further converted garage room, offering excellent flexibility and the potential to create a self-contained annexe, subject to any necessary permissions.

Also accessed from the hallway is the spacious family room, featuring a characterful wood-burning stove and opening into a superb conservatory measuring approximately 19'2" x 16'7". With views across the secluded south-facing rear garden, this is a wonderful space to relax and enjoy the garden throughout the year.

To the first floor are four further double bedrooms, including a generous primary bedroom benefiting from its own en-suite shower room and private balcony. The balcony enjoys far-reaching views, adding a particularly appealing feature to the principal bedroom. A main family bathroom serves the remaining bedrooms, while Bedroom Four has the added benefit of a staircase leading to a useful loft room, providing further versatile accommodation.

Externally, the property is equally impressive. A substantial in-and-out driveway provides parking for up to 12 vehicles, making this an ideal home for a large family or those requiring considerable parking. The rear garden is secluded and south facing, providing a private outdoor setting.

There is also a useful outbuilding incorporating a WC and loft room, offering further potential for a home office, hobby space or additional storage.

The sought-after village of Ferring combines a charming,

established character with a strong sense of community. The village benefits from two convenient shopping parades, both well served by local bus services, providing easy connections to nearby areas and Worthing town centre.

Excellent road and rail links make the surrounding towns and cities readily accessible, with mainline services offering direct routes towards Hove, Brighton, London and Gatwick, as well as destinations further afield.

At the heart of the village, residents have a wide range of everyday amenities close at hand, including a doctors' surgery, dentist, village hall, Co-op, veterinary practice and library. There is also a good selection of places to eat and socialize, including Andalucia, Rassasy Deli and The Orange Tree Café & Bar.
