The rear of the property is accessed via a wooden gate, opening onto a block-paved courtyard, bordered by a traditional brick wall. From here, a door from the breakfast room offers convenient access to the house. To the side, there is a practical wood shed and round steps gently lead up to the main lawn area and personnel door into the garage. The beautifully maintained garden is predominantly laid to lawn and framed by mature trees, hedging, and wrought iron railings. Brick edged and raised timber borders are rich with a variety of plants and shrubs. Near the top of the garden cast iron gates provide access to the garage and off road parking. Towards the middle of the garden is a delightful round wooden summer house, complemented by a stone seating area and sleeper steps that connect back to the main lawn. Further into the garden there is an additional secluded seating area providing the perfect space for relaxing or entertaining. A lawned pathway leads to paved steps and a small wooden gate at the very top of the garden opening into additional land with an array of trees and wild flower, including bluebells. The garden also benefits from an outdoor tap conveniently positioned for garden maintenance.
