

The image shows the front facade of a house. The central feature is a large, multi-paned window with a dark wood frame, set within a light-colored stone arch. Below the window is a dark wood door, also set within a stone arch. The door is flanked by two black lantern-style light fixtures. The house has a white gabled roof with two chimneys. Two potted plants are placed on either side of the doorway. The overall style is traditional and elegant.
