A flexible three-storey home by Barratt Homes in Highgrove, Bosham, featuring a south-facing garden, open-plan kitchen/dining space, separate study/bedroom, en suite main bedroom and top floor accommodation — all overlooking green space with garage and parking.

Set within the ever-popular Highgrove development in Bosham, this thoughtfully designed three-bedroom home by Barratt Homes offers a versatile layout arranged across three floors — ideal for modern family life, home working, and entertaining.

The ground floor is centred around a bright and sociable kitchen/dining space, positioned to the rear with French doors opening directly onto the south-facing garden. This is very much the heart of the home — a space designed for everyday living as well as hosting, with a natural flow between cooking, dining and relaxing. To the front, a separate study or fourth bedroom provides valuable flexibility, perfect as a home office, playroom or guest space, alongside a convenient WC and additional storage.

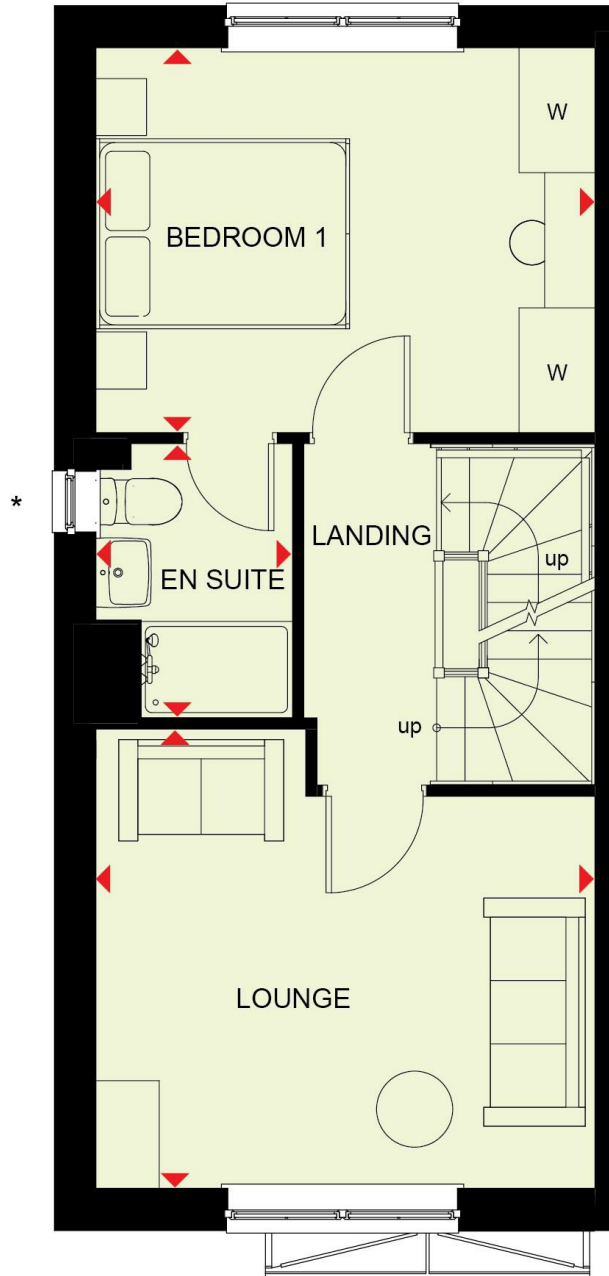

The first floor offers a completely different feel, with a generous lounge spanning the full width of the property — a calm, elevated retreat away from the main living space below. Also on this level is the main bedroom, complete with its own en suite, creating a comfortable and private principal suite.

Upstairs again, the top floor is ideal for family or guests, with two further well-proportioned bedrooms and a family bathroom. The layout works particularly well for growing families or those wanting to create distinct zones within the home.

Externally, the south-facing garden is a standout feature, enjoying sunlight throughout the day and accessed directly from the main living space. The property also benefits from a garage, driveway parking for two vehicles, and energy-efficient additions including solar panels and an EV charger — helping to keep running costs down while future-proofing the home.

Built by Barratt Homes and positioned overlooking open green space, the property enjoys a peaceful setting while remaining within easy reach of Bosham's harbour, local amenities and Chichester beyond — offering a well-balanced lifestyle in one of the area's most desirable new developments.
