Substantial detached home in Bosham set within 0.49 acres, offering up to 8 bedrooms and 6 bathrooms. Extensively extended, including two self-contained 1-bed apartments. Features a large private garden with swimming pool, multiple reception rooms, and excellent flexibility for family or multi-generational living.

Positioned along one of Bosham's most sought-after lanes, The Croft is a substantial and highly adaptable detached home set within approximately 0.49 acres of private, well-established grounds. Having been carefully extended and reconfigured over a number of years by the current owners, the property now offers an impressive depth of accommodation suited to a wide range of lifestyles.

On arrival, the property offers a sense of space and seclusion, with a generous driveway providing ample parking. The house itself sits comfortably within its plot, while to the rear, the gardens and outdoor spaces create a setting that truly elevates the home.

Internally, the layout has been designed with flexibility in mind. A series of reception rooms provide both formal and informal living areas, allowing the space to adapt easily to family life, entertaining, or working from home. The kitchen is finished in a contemporary style, with sleek cabinetry and ample workspace, forming a natural hub that connects seamlessly with the surrounding living areas.

In total, the property offers up to eight bedrooms and six bathrooms, giving a level of space rarely found and making it particularly well suited to larger families or those needing additional guest accommodation.

A key feature of The Croft is the extent of its evolution over time. The most recent addition, a substantial side extension, has been thoughtfully designed to incorporate

two self-contained one-bedroom apartments. These provide genuine independence, ideal for multi-generational living, visiting guests, or as a potential income stream, all while remaining connected to the main home if desired.

The gardens are a standout feature, offering both scale and privacy. A wide expanse of lawn is framed by mature hedging, creating a peaceful and enclosed setting. At its centre, a swimming pool with surrounding terrace provides a focal point for outdoor living and entertaining during the warmer months. Additional features include a detached outbuilding, vegetable beds, and established planting, all contributing to a garden that feels both practical and well loved.

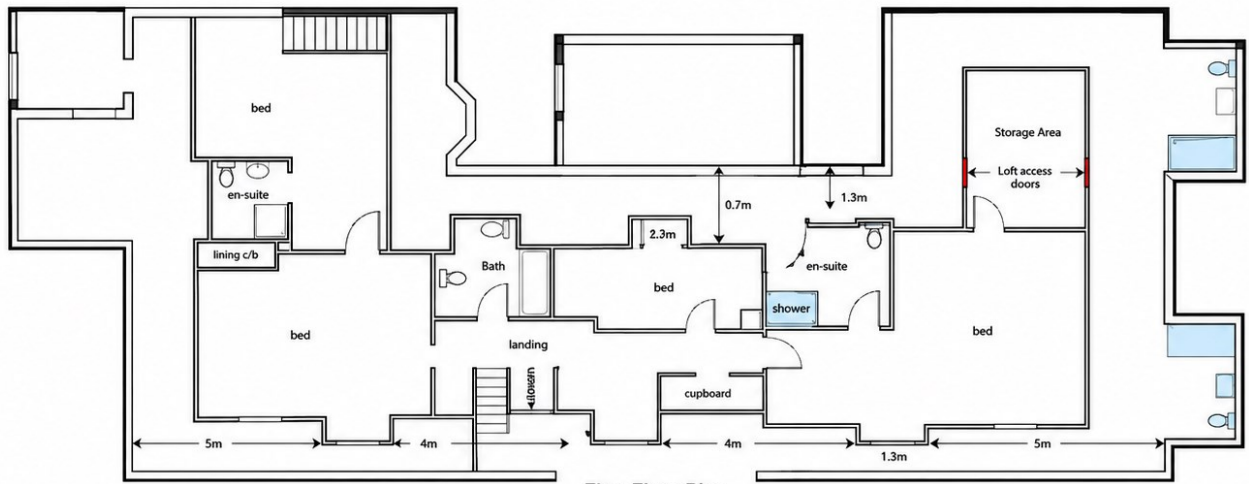

The property is presented in good overall condition, offering comfortable accommodation as it stands, with scope for a purchaser to update or tailor certain areas over time.

Chequer Lane remains a highly desirable location, within easy reach of Bosham's harbour, sailing facilities, and village amenities, as well as the wider city of Chichester. The Croft offers a rare opportunity to acquire a home of genuine scale and versatility in a prime coastal setting.
