PROPERTY OVERVIEW

A rare opportunity to acquire a prominent freehold commercial building occupying a highly visible corner position within the heart of Staple Hill's popular High Street. Available with vacant possession and extending to approximately 1,040 sq ft (96.6 sq m), the property offers flexible accommodation over two floors together with a private rear yard and detached garage. Currently arranged as professional office accommodation, the property would suit a variety of retail, office, consultancy, medical, financial services and other Class E uses, subject to any necessary consents.

The ground floor comprises a spacious front office/showroom with excellent natural light together with a separate rear office, kitchen and WC facilities. The first floor provides two further offices, a useful storage room and additional WC facilities, creating a practical layout suitable for a range of owner occupier and investment requirements.

A particular feature of the property is the detached garage and enclosed rear yard, providing valuable storage, workshop or operational space seldom found with commercial premises at this price point.

Situated within the busy and well-established Staple Hill shopping area, the property benefits from excellent prominence and accessibility, being within easy reach of Fishponds Road, Bristol City Centre, the Ring Road and wider motorway network.

With a current Rateable Value of just £5,500 and potential eligibility for Small Business Rates Relief the property is likely to appeal to owner occupiers seeking to acquire their own premises rather than continue renting commercial accommodation, as well as investors looking for a versatile freehold asset in a well-established Bristol location.
