PROPERTY OVERVIEW

A substantial and extended detached family home offering approximately 2,583 sq ft of versatile accommodation, positioned within a select non-estate setting in one of Almondsbury's most sought-after locations.

The property sits quietly off a private lane, approached via a shared driveway serving just two homes, leading to a generous private drive and double garage, providing ample parking.

The house has been significantly extended over time, most notably with the addition of an impressive 24ft family room to the rear, enjoying elevated views across the mature garden and creating a standout living space.

The ground floor is arranged around a central hallway, with a natural flow between the main reception areas. The principal living room is a bright and spacious, triple-aspect room with direct access onto the rear terrace and garden. A further reception room offers flexibility as a snug, home office or additional bedroom if required.

The kitchen / breakfast room is well positioned with access to the garden and is complemented by a separate utility room and a useful entrance lobby, ideal for day-to-day family life. A downstairs cloakroom completes the ground floor.

Upstairs, the property offers three well-proportioned bedrooms, including a generous principal bedroom with en-suite bathroom. All bedrooms enjoy views over the garden, alongside a neatly arranged family bathroom.

Outside

The rear garden is a real feature of the property. A large terrace provides an ideal entertaining space, leading down to a gently sloping lawn bordered by mature planting and trees, creating a private and established setting. The garden offers both space and variety, well suited to family use and outdoor living.

Location

Almondsbury remains one of the most desirable villages to the north of Bristol, offering a strong community feel alongside excellent convenience for commuters. Local amenities include a well-regarded primary school, community shop, parish church, public house, doctor's surgery and dental practice.

The location provides excellent access to the M4/M5 motorway network, Cribbs Causeway, and Bristol Parkway Station, making it ideal for both local and national travel. The nearby market town of Thornbury also offers a wider range of shops and facilities.
