PROPERTY OVERVIEW

A bright and well-balanced two bedroom second floor apartment, offered to the market with no onward chain, set within a highly regarded development in the heart of Redland, benefitting from secure gated off-street parking and a superb position just moments from Chandos Road and Whiteladies Road.

The layout works particularly well here. A central hallway leads through to a generous lounge/dining room measuring over 19ft in length, with a front-facing bay window allowing plenty of natural light and creating a comfortable main living space.

The separate kitchen is well arranged with integrated appliances and practical storage, while both bedrooms are positioned to the rear of the building, offering a quieter aspect. The principal bedroom benefits from an en-suite shower room and French doors opening onto a Juliette balcony, adding a nice sense of light and openness. A second bedroom and a modern bathroom complete the accommodation.

The property is well maintained throughout and benefits from gas central heating, double glazing and a video entry system, making it an ideal low-maintenance home in a prime location.

Outside

To the rear of the development, accessed via a secure gated archway, there is an allocated off-street parking space, a real advantage in this part of Redland. Residents also have use of communal gardens, providing a pleasant outdoor space.

The property also falls within the Residents' Parking Zone, offering additional convenience for visitors.

Location

Hampton Road is perfectly positioned in the heart of Redland, directly opposite Chandos Road, known for its excellent selection of independent restaurants, cafés and bars.

Whiteladies Road is just a short walk away, along with Clifton Down train station, the BBC, university buildings and the city centre. The Downs are also within easy reach.

This is a location that continues to be popular with professionals and buyers looking for a balance of lifestyle and convenience.
