## PROPERTY SUMMARY

Positioned along Park Road in Calverton, this well-presented three-bedroom semi-detached home offers generous space both inside and out, making it an ideal choice for buyers at a variety of stages — whether you're taking your first step onto the ladder, looking for more room, or searching for something easier to manage without compromising on practicality.

The property welcomes you with a bright and spacious reception room, creating a comfortable setting for both everyday living and entertaining. Upstairs, there are three well-proportioned bedrooms, offering flexibility for families, guests, or even a home office. The main family bathroom is also located on the first floor, while a separate ground floor shower room and WC adds further convenience for busy households.

A particularly useful feature is the extended garage, complete with an additional store room to the rear — ideal for storage, hobbies, or workshop space. Outside, the property really stands out with off-road parking for up to five vehicles, something rarely found and perfect for multi-car households or visiting guests.

The location is equally appealing, with easy access to local schools, shops, transport links, and the nearby leisure centre. Combining space, practicality and a well-connected setting, this is a home that will suit a wide range of buyers looking to settle in a popular part of Calverton.
