PROPERTY SUMMARY

There's plenty to work with here. A good-sized three-bedroom home, a fantastic rear garden and owned solar panels provide a really good foundation for someone to modernise and create something that suits them. For us, that potential is what makes this one worth a closer look.

Situated on Holt Grove in Calverton, this three-bedroom semi-detached home offers an excellent opportunity for buyers looking for a property they can make their own.

The accommodation includes three bedrooms and a family bathroom, with the property providing a great starting point for someone looking to update and modernise a home to their own taste.

Outside, the property benefits from a particularly good-sized rear garden, offering plenty of space for children, entertaining or simply enjoying during the warmer months. The owned solar panel system is another valuable feature and can help with the property's running costs.

Calverton offers a good range of local shops, amenities, schools and nurseries, while regular bus services run approximately every 15 minutes towards Arnold and central Nottingham.

With its generous garden, solar panels, three bedrooms and excellent potential, Holt Grove could be a fantastic opportunity for someone looking to create a home of their own in a popular village location.
