The living space is a true showstopper, boasting vaulted ceilings adorned with velux window that filters light to the duplex double bedroom above. A striking multi-fuel burner with a wrought iron surround adds warmth and charm, while solid wood flooring throughout the living room and kitchen enhances the natural, timeless feel of the apartment.

Patio doors open from the living area onto a decked outdoor space, ideal for relaxing or entertaining on warm summer days. The bathroom is well-appointed with a low-level WC, a cabinet hand wash basin, and a paneled bath, offering both style and functionality. Both bedrooms are generously sized, providing ample storage space to maintain a clutter-free environment.

On the ground floor, a separate utility room with additional storage and plumbing for a washing machine adds extra convenience.
