We are therefore obliged to verify prospective purchasers.

The cost to do so is £30+vat per named buyer, which covers the cost of

obtaining relevant data and any manual checks and monitoring which might be required.

This fee will need to be paid by you in advance of us publishing your property (in the case of a vendor) or issuing a memorandum of sale (in the case of a buyer) and is non-refundable.

The Consumer Protection (Amendment) Regulations 20

Only items referred to in these particulars are included in the sale.

The property was unoccupied at the time it was inspected and we have therefore been unable to verify with the previous occupant that the central heating system, kitchen appliances, shower unit, plumbing installations and electric system are in working order.

No tests or checks have been carried out by ourselves and no warranty can therefore be given.

We are also unable to confirm whether any extensions, alterations or window replacements since 2002 have received the necessary Planning Consent and Building Regulations Approval.

Prospective purchasers are advised to make their own inquiries and investigations before making an offer.
