The University district is perfect for Leeds Uni students that want to roll out of bed at 8.59am for their 9:00am lecture. Popular with students from all the city campuses you are fully immersed in student life. Frequenting Leeds University Union, £3.00 Tesco meal deals, and meandering walks back from the city centre to save yourself a taxi fair, are sure to make up your year. If you fancy a cheap-ish drink you can frequent Old Bar at the Leeds University Union, or head upstairs to Terrace and learn why Leeds University students are consistently rated the most attractive in the UK.
