A spacious two-bedroom ground floor flat with everything conveniently arranged on one level.

The property has a huge master bedroom, giving you far more space than you'd typically expect from a two-bedroom flat. There's room for a large bed, wardrobes, drawers and still plenty of space to move around. The second bedroom provides a good-sized additional room that could work equally well as a bedroom, office or guest room.

The large lounge is another real feature of the property, with plenty of room for a sofa and dining table without the space feeling cramped. The kitchen sits off the living area, making the layout practical for everyday living.

There's also a bright, functional shower room with a generous walk-in shower.
