Lead In

Situated in one of Knottingley's most picturesque locations, this exceptional four-bedroom townhouse enjoys an enviable position overlooking the beautiful canal, offering a truly peaceful setting where you can watch swans, local wildlife and canal boats gently cruising by. Properties in this sought-after position rarely come to the market, and the stunning waterside outlook is undoubtedly one of this home's most desirable features.

Beautifully presented throughout, the current owners have modernised the property to an exceptional standard, with no expense spared. Boasting stylish new kitchen and bathroom suites, this turnkey home is ready for its next owners to move straight in and enjoy.

The ground floor has been thoughtfully adapted to provide a versatile fourth bedroom, alongside a utility room which could equally be used as a home office, depending on your family's needs.

To the first floor, you'll find a spacious and light-filled lounge, together with a contemporary open-plan kitchen and dining area, creating the perfect space for entertaining. A convenient WC completes this level.

The second floor offers three generously sized bedrooms, including a superb principal bedroom with its own modern en-suite, alongside a stylish family bathroom.

Externally, the property continues to impress with a beautifully landscaped rear garden, ideal for relaxing or entertaining, while a double driveway provides ample off-road parking.

Despite its tranquil canalside setting, the property is perfectly positioned within easy reach of Knottingley town centre, the railway station, excellent local schools and a wide range of everyday amenities, making it an ideal choice for commuters and families alike.

Homes offering this combination of modern living, versatile accommodation and breath-taking waterside views are rarely available. Early viewing is highly recommended to fully appreciate everything this outstanding home has to offer.
