This beautifully furnished, interior-designed two-bedroom, two-bathroom apartment is set across 973 sq ft on the second floor of a prestigious waterfront development. Offering a generous open-plan layout, the apartment features elegant wooden flooring, a designated dining area, and floor-to-ceiling windows that flood the living space with natural light. A private balcony provides sweeping views of the iconic Canary Wharf skyline—an ideal spot to relax and unwind.

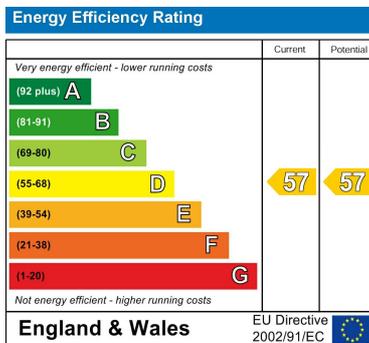

The separate kitchen is fully equipped with high-spec appliances, including a full-size fridge/freezer, gas hob with electric oven, microwave, dishwasher, washer-dryer, 1.5 sink with waste disposal, external extractor, and ambient LED under-cabinet lighting—ensuring everything is ready from day one.

Both bedrooms are generously sized with king-size beds and come complete with plush carpeting, bespoke mirrored wardrobes, and stylish furnishings. The principal bedroom is complemented by a luxurious marble-finished en-suite bathroom.

For added convenience and comfort, the apartment features a newly installed AV system, ultra-fast fibre broadband, a 55" LG Smart TV in the living area, and additional Smart TVs in the bedrooms.

Ideally located in Zone 2, the property offers excellent transport links via Westferry (DLR), Canary Wharf (Jubilee Line), and Crossrail (Elizabeth Line). Residents also benefit from nearby tree-lined riverside paths, the Thames Clipper river bus service, and local bus routes.
