Tierra Viva Urbanizacion

Nueva Atalaya

Benahavis

Prices from £1,011,200

Tierra Viva Benahavis, Costa del Sol, an upcoming exclusive residential community of considerable distinction, featuring 53 villas inspired by the design aesthetics of Automobili Lamborghini. It is not simply an off-plan property opportunity but a landmark architectural endeavour brought to life by DarGlobal for their first project in Spain.

The development is beautifully situated on a gradient in Benahavis, one of the most exclusive areas of Southern Spain and surrounded by luxurious Golf Clubs and resorts within easy reach of Marbella.

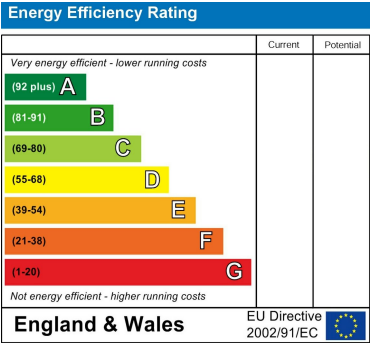

The unique positioning of each villa at varying elevations ensures that residents will enjoy unobstructed views of the Mediterranean Sea and the adjacent golf course.

Tierra Viva's portfolio comprises three outstanding villa designs: Zafiro, Esmeralda, and Diamond. With sharp lines and utilising the finest materials, these villas represent a unique concept and the first in Southern Spain.

Diamante Villas are six-bedroom Diamond villas built over four levels and filled with luxurious finishes, a suitable choice for families or as a luxury holiday residence for those who appreciate the finer things in life.

They feature spacious roof terraces with breathtaking views and an extensive swimming pool and gardens.
