This exceptionally spacious two-bedroom, two-bathroom duplex apartment spans the Ground and Lower Ground floors of a newly converted, warehouse-style gated development set along the River Thames.

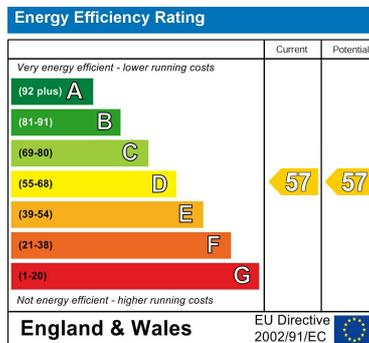

Offering more than 1,200 sq ft of high-end living space, the property features two generously sized bedrooms, each with its own en suite, and a striking double reception room that opens onto a small private outdoor area. A stunning glass floor section reveals the impressive lower level, home to a large open-plan kitchen and dining space, perfect for entertaining, along with a guest WC. The sleek Metris kitchen comes fully equipped with top-of-the-line Miele appliances, including an integrated dishwasher, washer/dryer, full-height fridge freezer, oven, hob with integrated extractor, and a Caple wine cooler.

The bathrooms are finished to a luxurious standard with full suites and underfloor heating, while both bedrooms include bespoke mirrored wardrobes and automatic lighting. Additional premium features include a Crestron audio-visual system, a digital video entry system, and pre-wiring for Sky+ TV.

Located right by the river, Palace Wharf is ideally positioned for transport connections, with Hammersmith Overground and Underground, Barons Court, Putney Bridge, and Fulham Broadway stations all nearby, along with a range of bus routes for added convenience.

Available for short and long term lets. Minimum 3 Months.
