A stylishly designed 902 sq ft air-conditioned apartment featuring two spacious double bedrooms and two bathrooms, situated within Thornes House—part of the prestigious Residence Collection in Nine Elms, on London's iconic South Bank.

This well-appointed apartment offers a generous open-plan living area complete with a Samsung Smart TV, Bose soundbar, and integrated Amazon Alexa, enabling voice control of lighting, TV, heating, and electric privacy curtains. The space opens onto a private balcony and flows seamlessly into a fully equipped kitchen fitted with Miele appliances, a hot water tap, and expansive floor-to-ceiling windows.

The principal bedroom includes a sleek en-suite shower room with a bespoke mirrored unit featuring integrated demisting technology, as well as built-in wardrobes. A second double bedroom and a modern family bathroom complete the accommodation, which also boasts plentiful storage throughout.

Thornes House enjoys a prime location between two Northern Line stations (due to open in 2020), enhancing already excellent transport connections. Residents benefit from easy access to tree-lined walkways, dedicated cycling routes, Thames Clipper services, local bus routes, and the nearby Pimlico bridge—linking directly to the Royal Boroughs of Kensington and Chelsea.
