Prices from £770,000

A collection of beautifully crafted 1, 2 & 3-bedroom apartments and spectacular penthouses at Wimbledon Bridge House, a landmark new development by London Square, due for completion in 2027.

Perfectly positioned in the heart of Wimbledon, Wimbledon Bridge House combines contemporary architecture with elegant interiors and exceptional connectivity, creating a sophisticated new address in one of South West London's most desirable locations.

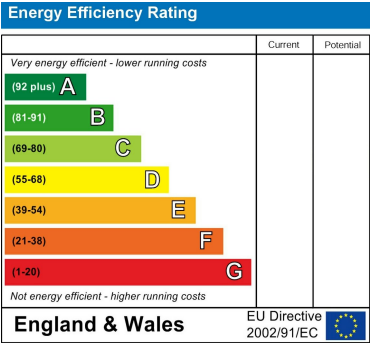

Each residence has been thoughtfully designed to maximise light and space, featuring open-plan living areas, high-quality finishes and private outdoor spaces to many homes. The penthouse collection offers elevated living with expansive terraces and far-reaching views across London's skyline.

With completion anticipated in 2027, Wimbledon Bridge House presents a rare opportunity to secure a home in an exciting new development that blends luxury living with the charm and lifestyle of Wimbledon.

Available now:

- * Selection of 1, 2 & 3-bedroom apartments
- * Exclusive penthouse collection
- * Private balconies or terraces to selected homes
- * Contemporary specification throughout
