LOCATION

Watermead – situated on the northern outskirts of the town, continues to be as popular today as it was when the very first homes were released in the late 1980's. With two magnificent lakes, a quaint village centre and open countryside on the doorstep a more picturesque setting would be hard to imagine. The location offers convenient access by road towards the M25 and M40 as well as being a short drive to Aylesbury Parkway Train Station offering mainline services to London Marylebone.

ACCOMMODATION

The property is entered via an entrance hall with a convenient downstairs WC. A further door leads into the living room, featuring stairs rising to the first floor, an attractive fireplace, Karndean flooring and a full-height retractable projector screen.

To the rear of the property is a superb kitchen/diner, fitted with a range of units incorporating an inset gas hob with cooker hood above, built-in oven and grill, and an integrated wine cooler. There is space for a dishwasher and fridge freezer, together with a breakfast bar providing seating space for stools and ample room for a dining table and chairs. An inner hall provides access to a useful storage

On the first floor, the landing benefits from loft access and serves three well proportioned bedrooms along with the family bathroom.

Outside, the rear garden has been thoughtfully landscaped to create an attractive and low-maintenance outdoor space. A decked patio area adjoins the house, leading to an artificial lawn and a further raised decked seating area beneath a covered pergola. A timber-built bar provides an excellent entertaining space, making the garden ideal for social gatherings and family enjoyment.

The partly converted garage still retains valuable storage space and benefits from an electronically controlled door, while the driveway provides off-road parking.
