Modern Living in Liverpool's Creative Quarter - Baltic Triangle Apartments

We're proud to present this exceptional new residential development in the heart of Liverpool's iconic Baltic Triangle - one of the UK's most exciting and fastest growing districts. Comprising 110 high specification apartments, this development offers a mix of beautifully designed studios, one bedroom, and two bedroom units tailored for the modern urban tenant.

Each apartment has been thoughtfully designed to maximise space, style, and comfort. Large windows flood the interiors with natural light while offering views of the River Mersey and Liverpool's striking skyline, including the nearby Anglican Cathedral. Sleek contemporary finishes, open plan layouts, and quality fittings make these apartments ideal for all tenants.

Residents benefit from immediate access to Liverpool's vibrant independent scene. Just across the road sits the renowned Baltic Market, housed in the historic Cains Brewery, where artisan food, live events, and local culture draw thousands each weekend. The wider Baltic Triangle has become a hub for creative industries, digital innovation, and cultural enterprise - voted the "hippest" place in the UK and "coolest" place to live in Britain.
