Full Description

An exciting opportunity for investors to secure an apartment within a striking new waterfront development ideally positioned between Manchester and Salford, close to the highly sought after MediaCityUK district. This landmark scheme will deliver approximately 500 contemporary apartments, offering a selection of studios, one, two and three bedroom homes designed for modern urban living.

Each apartment will be finished to a high specification and many will benefit from impressive views across the surrounding waterfront and city skyline. The development has been carefully designed to appeal to the growing population of young professionals working across Manchester's thriving technology, media and creative sectors.

The location is a key highlight. Situated close to MediaCityUK, one of the UK's leading hubs for digital, media and technology industries, the area has seen substantial investment and continues to attract major employers and businesses. Residents will also benefit from excellent connectivity, with two nearby Metrolink stops providing quick and convenient access into Manchester city centre and the wider Greater Manchester area.

Manchester continues to establish itself as one of Europe's most dynamic and liveable cities, attracting global businesses, students and professionals. Its strong economy, expanding job market and continued regeneration make it one of the UK's most attractive locations for property investment.
