Apartment 8 Victoria Street

£180,000

Full Description

Elite Realty Invest are delighted to present this centrally located one bedroom apartment, offered exclusively to investors and suitable for short stay accommodation.

Occupying a landmark period building with distinctive architectural character, the property blends heritage features with contemporary interiors, creating strong appeal for both corporate and leisure guests. The development comprises a limited collection of well proportioned apartments, an uncommon offering within Liverpool's commercial core.

The apartment benefits from impressive ceiling heights and expansive windows, enhancing natural light and creating a sense of space rarely found in comparable city centre properties. The interior has been thoughtfully designed with a modern fitted kitchen, stylish bathroom suite and quality finishes throughout, ensuring it is ready for immediate letting. Select residences within the building also benefit from private outdoor space and secure parking, adding further value.

Situated within Liverpool's established business district, the location is particularly attractive to professionals working in nearby offices and financial institutions. Key transport links including Moorfields and Lime Street stations are within easy walking distance, alongside Liverpool ONE, the waterfront and the city's leading leisure and hospitality venues.

Liverpool remains one of the UK's strongest performing regional rental markets, supported by a robust visitor economy, expanding professional workforce and continued inward investment. Centrally positioned, high specification apartments that are approved for short term letting continue to see consistent demand from both business and leisure occupiers.

This property represents a rare opportunity to acquire a character filled city centre asset with flexible income potential and strong long term fundamentals.
