

Bush & Co.

169 Histon Road, Cambridge - £1,250 PCM

A spacious and bright detached conversion studio hidden away in a very private location North of the city just off Histon Road which offers easy access to the A14 and M11, Cambridge North Train Station, the Science and Business Parks and Cambridge City Centre. There are also many shops, cafes and local amenities that are within walking distance.

The generously sized accommodation of 805 sqft benefits from having a fitted kitchen with an electric cooker, fridge and washing machine. The kitchen then welcomes you into the comfortable living/dining area with large full length windows flooding the room with natural light and sliding doors leading out to the enclosed rear paved garden.

There is a very useful room divider which leads you through to the double bedroom area separating the bedroom from the living space, creating more privacy and making the property feel more like a one

bedroom apartment than a traditional studio.

The spacious bathroom offers a bath with separate shower cubicle, plenty of storage and an extractor fan and window to maximise ventilation.
