Description

An outstanding contemporary residence, discreetly positioned within a mature and beautifully landscaped plot extending to approximately 0.3 acres, offering an exceptional balance of architectural presence, privacy and refined modern living.

The property has been comprehensively reimagined to create a striking yet understated home that sits harmoniously within its wooded surroundings. Clean architectural lines, smooth dark render and carefully detailed natural timber elements define the exterior, complemented by powder-coated aluminium windows and doors. Extensive glazing has been thoughtfully incorporated to maximise natural light and to frame views across the gardens and surrounding landscape.

Internally, the house has been finished to an exacting standard, with a strong emphasis on both design and functionality. Smart home technology, high-quality materials and bespoke joinery combine to create a sophisticated, comfortable and highly practical family home. Storage has been carefully considered throughout, with fitted wardrobes to every bedroom, a dedicated boot room, larder and a fully equipped laundry room.

Accommodation

The reception hall sets the tone, with concealed storage, a guest cloakroom and boot room. A refined formal sitting room opens onto front terraces, providing a calm and elegant space for entertaining.

The principal living accommodation lies at the heart of the home, with a magnificent open-plan kitchen, dining and family living area. Bi-fold doors open on two elevations, creating a seamless connection with the terraces and gardens, while a bi-fold serving window links the kitchen directly to an external bar area. The kitchen is complemented by a discreet walk-in larder and utility room, both cleverly concealed within the cabinetry. Also on the ground floor is a guest bedroom suite with en-suite shower room, together with a hidden study.

A hardwood staircase with glass balustrade rises to a galleried landing. The principal suite is particularly impressive, comprising a generous bedroom, a fully fitted dressing room extending to over 3.5 metres in height, and a luxurious, spa-inspired bathroom. Three further bedroom suites are equally well appointed, each with bespoke built-in furniture and individually designed shower rooms. A dedicated first-floor laundry room completes the accommodation.

Gardens & Grounds

The gardens have been professionally landscaped to create distinct zones for relaxation and entertaining. A large paved terrace provides space for outdoor dining, while a raised lawn gently transitions into a backdrop of mature oak and beech woodland, offering a high degree of privacy and a natural sense of seclusion.

A hardwood deck accessed from the garden room forms an intimate retreat, and an additional upper terrace provides an ideal setting for a hot tub, enjoying elevated views across the surrounding countryside.

Location

The property occupies an enviable position within Colehill, enjoying open views across neighbouring fields towards Bournemouth and Poole, while remaining just under 1.5 miles from the historic centre of Wimborne Minster.

Wimborne offers a comprehensive range of amenities, including a Waitrose, independent cafés, restaurants, bars and the Tivoli Theatre. Poole town centre lies approximately six miles away, with the renowned beaches of Sandbanks and the sailing facilities of Poole Harbour around eight miles distant. Mainline rail services operate from Poole to London Waterloo, and the A31 provides convenient access to the M27 and M3.

The area is particularly well regarded for schooling, with both state and independent options including Queen Elizabeth's, Canford, Dumpton and Bryanston. The surrounding countryside offers excellent opportunities for walking, cycling and riding, with the New Forest National Park and the Jurassic Coast easily accessible.
