## Property Description

Set within the heart of the Gaunts countryside, Woodcutts Farm Cottages is a characterful semi-detached home forming part of the historic Gaunts Estate. Originally built in the early 1900s as a workers' cottage, the property has been beautifully maintained and thoughtfully presented, offering bright, spacious accommodation and delightful views across its gardens and the surrounding fields.

## Accommodation

The property is entered via an entrance hall which leads through to an inner hall with stairs rising to the first floor. The principal sitting room is a generous and welcoming space, centred around a solid fuel burner, ideal for cosy evenings. A separate family room enjoys lovely views over the garden, providing a flexible additional reception space.

The country style kitchen/breakfast room is well appointed with a good range of fitted units and features an electric range cooker, creating a practical yet characterful hub of the home. Completing the ground floor is a useful utility room with WC.

Upstairs, a spacious first-floor landing leads to three well proportioned double bedrooms. The main bedroom benefits from an en-suite shower room and an adjoining dressing room, which could also be used as a home office or nursery. Bedrooms two and three both retain traditional cast iron fireplaces, adding to the period charm. The main bathroom is fitted with a three-piece suite.

## Outside

The cottage occupies a generous corner plot of approximately 0.21 acres. The gardens are laid mainly to lawn and enhanced by mature planted borders, a vegetable garden, greenhouse and an attractive patio terrace, ideal for outdoor dining and entertaining.

A gated driveway provides off-road parking for several vehicles and leads to a large detached garage with power and lighting. There is also a separate brick-built potting shed, offering further useful storage or gardening space.
