IH INGLEBY HOMES

This impressive three-storey 'Town House' is built to the always popular 'Souter' design by Persimmon Homes, a design known for having three great double bedrooms.

Situated within the favoured 'Rings' development of Ingleby Barwick, whilst enjoying an southerly facing enclosed rear garden with extended patio, lawn and shed, and double front drive allowing off-road parking.

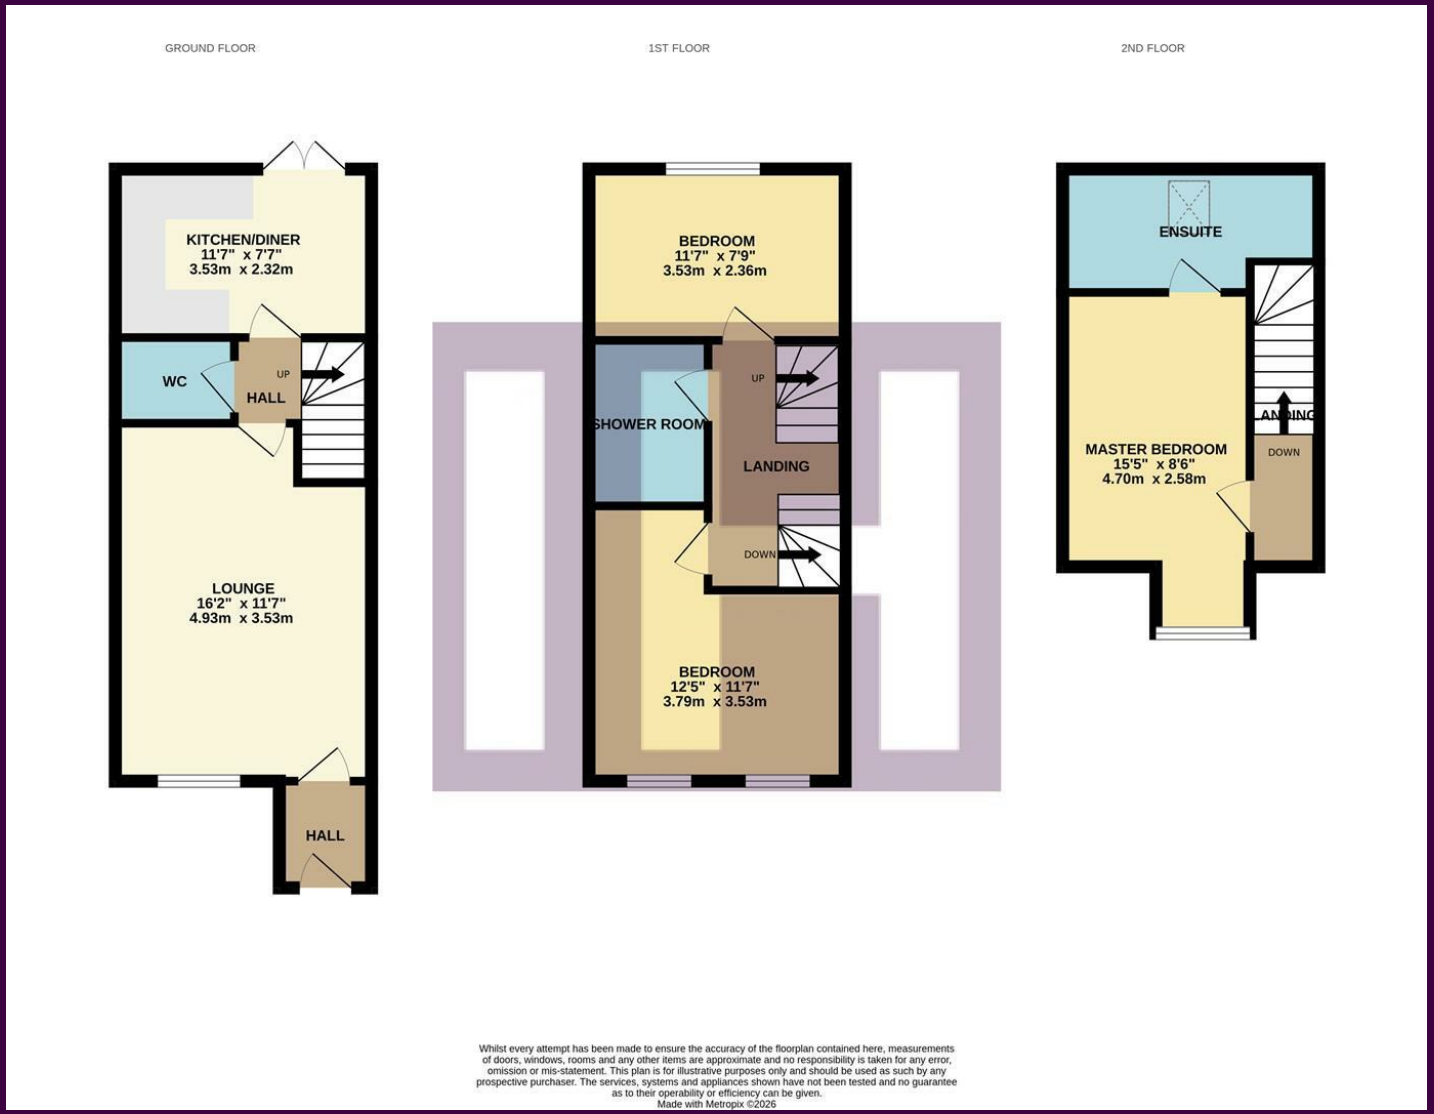

Smart and ready to move-into, the internal accommodation very briefly comprises an entrance hall, lounge, inner hall, cloakroom/WC, and smart - upgraded kitchen with appliances to the ground floor. The first floor brings two really good double bedrooms, and the upgraded family bathroom.

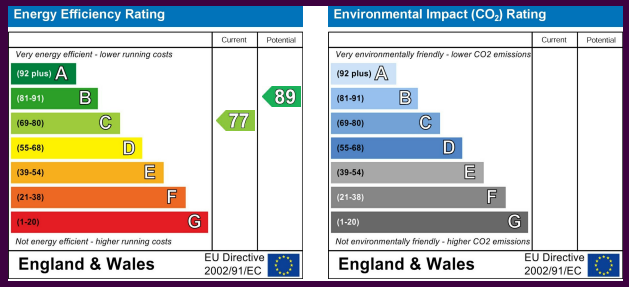

A further double bedroom is found on the second floor, complete with modern ensuite.

Ingleby Homes recommended. No forward chain.
