

Burdon Avenue, Hemlington

£159,950

Built to the popular 'Mosely' design by Persimmon, and situated within the desirable 'Saffron Gardens' development, this attractive property is a fine example of its kind.

Delivering modern accommodation over three impressive levels, and 'turn-key' ready, early inspection is advised.

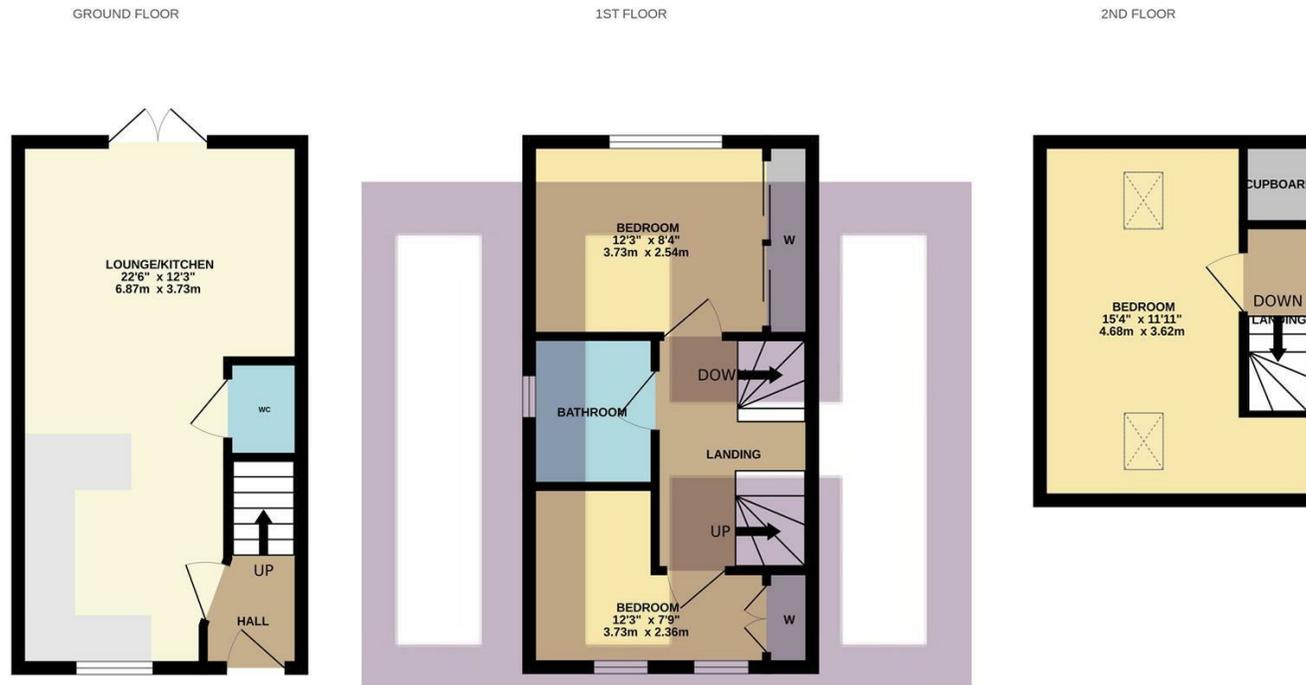

You enter into a welcoming entrance hall, finding the spacious open-plan lounge/kitchen space, with a modern fitted kitchen and breakfast bar, upgraded spot lighting, built-in under stair storage, 'French' doors to the rear garden, and cloakroom/WC off on the ground floor.

Two of the bedrooms are found on the first floor, both with fitted robes, along with the stylish family bathroom. The second floor is occupied by the third bedroom, a large double with 'Velux' windows front and back, currently partitioned approx. 3/4 of the way for its current optimisation as a beauty studio, a feature which can remain, or be removed to suit a new owner. The loft is boarded for useful storage.

The rear garden is fully fence enclosed with gated side access, with re-laid patios both near and far, lawn between.
