PROPERTY SUMMARY

Centrally located, hidden gem of a home, offering a sizeable 2,434 square feet of character-laden accommodation.

Originally a coach house, the property has undergone a comprehensive programme of extension and improvement at the hands of the current owners, creating a stylish and relevant family home which cleverly blends old and new within a series of versatile living spaces.

A generously proportioned open plan kitchen, dining and family space forms the relaxed hub of the home, whilst to the first floor there are four double sized bedrooms, to include a luxuriously appointed master suite with shower room, fitted wardrobes and French doors opening to a rear terrace.

Bespoke storage has been consciously integrated throughout and a detached garden office/studio fulfils the brief for detached home working.

Gardens and grounds of approaching one acre, benefitting from an enviable level of privacy and seclusion, together with attractive views across to the Squerries Estate, completes the profile of this unique home.
