Cloister Way

Leamington Spa, CV32 6QE

PROPERTY SUMMARY

The first thing that struck me as I stepped into 40 Cloister Way was the cathedral-esque ceiling height. I love a home with volume – it creates an immediate sense of space and is one of the signature hallmarks of a Spitfire Home.

Built around seven years ago, this beautifully presented three-storey semi-detached home combines exceptional build quality with stylish contemporary living. Every detail has been carefully considered, from the luxurious bathrooms to the sleek, fully integrated kitchen, creating a home that's ready to move straight into.

The ground floor is centred around a superb open-plan kitchen, dining and living space with integrated appliances and bi-fold doors opening onto a sunny rear garden – perfect for entertaining or family life. An integral garage provides secure parking and excellent storage.
