PROPERTY SUMMARY

A beautifully positioned top-floor apartment within a landmark Grade II listed building, enjoying elevated views across The Parade, adjoining tennis courts and surrounding green space.

Originally a grand hotel, this impressive period building was thoughtfully converted into apartments in the early 2000s, with works completed in 2004. Today it seamlessly blends historic character with modern living, offering the charm of a heritage property without compromising on comfort or convenience.

Set on the top floor, the apartment benefits from peaceful living with no neighbours above, enhanced privacy and far-reaching outlooks across one of the town's most desirable locations. The sense of space is immediately apparent, with a generous internal area of approximately 519 sq ft – unusually spacious for this style of apartment – complemented by an exceptional amount of built-in
